

Accéntuate

PERFECTING STRUCTURES

World Class Flooring, Maintenance and Water Treatment Solutions

Accéntuate is a group of world-class companies serving the construction and infrastructural development markets in South Africa and Africa. Strategically, the group is a market leader in the supply of products and services to both the public and private sectors in most forms of floor covering materials. The chemical blending business is further positioning itself to become a significant supplier of chemical cleaning and adhesive materials to the public and private sectors.

Through a joint venture with ION Exchange India, Accéntuate is able to focus on the provision of a comprehensive range of water treatment technologies into the southern African market coupled with unique water infrastructure technologies.
