TRADING STATEMENT FOR THE YEAR ENDED 30 JUNE 2020

In terms of the Listings Requirements of JSE Limited, companies are required to publish a trading statement as soon as they become reasonably certain that the financial results for the period to be reported upon will differ by 20% or more from that of the previous corresponding period.

Shareholders are accordingly advised that:

- Headline loss per share ("HEPS") for the Group for the year ended 30 June 2020 is expected to be 15.15 cents. This is 3% lower than the 15.61 cents loss reported for the year ended 30 June 2019 ("the comparative period"); and
- Loss per share ("EPS") for the Group for the period is expected to be 5.21 cents. This is 70% lower than the 17.46 cents loss reported for the comparative period.

HEPS and EPS for the Group for the period have been impacted by the COVID-19 pandemic, which materially and adversely affected the supply and demand for the Group's products; and low government infrastructure spend. Increase in EPS was mainly impacted by the gain on disposal of a subsidiary during the year.

Shareholders are advised that the information provided in this trading statement has not been reviewed and reported on by the Group's external auditors.
